“From Challenges Come Opportunities”

COMPANY OVERVIEW

Wave Quantum is a Service-Disabled Veteran-Owned Small Business (SDVOSB) (currently self-certified) and Veteran-Owned Small Business headquartered in Kennewick, Washington. Wave Quantum was formally established in 2020 as a subsidiary of Wave Design Group, Inc., to support the United States Government and its prime contractors. By placing Wave Quantum's vast capabilities under one separate entity, it is assured that the client always has clear and direct access to the Wave Quantum Nuclear and Federal Services Team.

Wave Quantum staff have over 100+ years of combined experience from strategic planning through construction administration. No project is too large or too small for our team of experienced professionals, who are dedicated to bringing both expertise and innovation to the table. Services include but are not limited to:

- Architecture
- Civil Engineering
- Mechanical Engineering
- Structural Engineering
- Electrical Engineering
